

Video Visits Quick Start

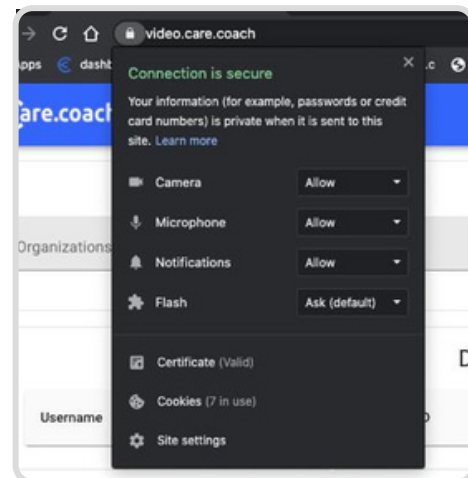

Step 1

Sign into video.care.coach with your username and password.

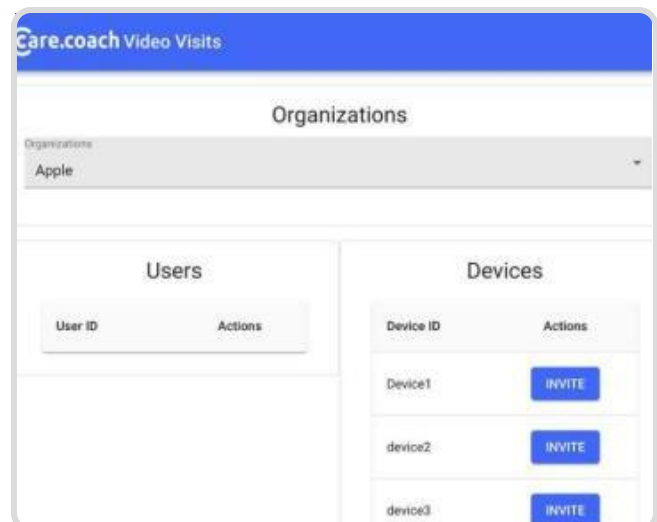

Step 2

Check your settings to make sure your mic and camera work.

Step 3

Click "Organization" & select from the drop down option(s) to enter into a visit group. Once in an organization, there are Users (people who have accounts) and DeviceIDs (people who have care.coach devices).

Step 4

Click invite next to a User or Device to get a visit started.
