

AVATAR FEATURES

Helpful Assistant

The Avatar is a digital companion that offers conversation, games, jokes, and music. It's also a helpful sidekick, providing access to information and connecting you to your loved ones and care team. The Avatar is managed by a team of professionals who can hear and see you when the Avatar is awake and can notify your care team of needs that arise.

Uses

- ✓ Health Coaching
- ✓ Conversations
- ✓ Personal Assistant
- ✓ Group Activities
